MORRIS HEIGHTS

NEIGHBORHOOD IMPROVEMENT ASSOCIATION

Community in Action

This September, neighbors came together for a rewarding day at Sand Creek Park, partnering with City of Aurora's Department of Open Space and Natural Resources (OSNR). The results were impressive: Together, we hauled two shopping carts from the creek and collected more than **165 pounds of trash** from across the park! This effort wouldn't have been possible without the dedication and teamwork of everyone who joined in.

Thank you for showing up and making a real difference in our shared green space!

Do you want to help organize a community activity?
